Bleary Eyed Blue
Margot & the Nuclear So and So's

[DIDDY]

Something like this is played in a lot of the interludes and over the verses. It s not entirely it but it
works well enough imo :)

```
e|-7--7----6------------| x2
B|-----------9-7-4-4----|
G|----------------------|
D|----------------------|
A|----------------------|
E|----------------------|

e|---------6-----------------6/7----7----|

G|---------------------------------------|
D|---------------------------------------|
A|---------------------------------------|
E|---------------------------------------|
```

[Verse]

F#m   **A**
These kids on fire
F#m   **A**   **D**
It seems darker now too
        Bm   **D**
They drive motor scooters
            E   **F#m**
They smoke crack cocaine
                A
If everything s fine
F#m   **A**   **D**
Please stop screaming so loud
          Bm   **D**
We ve been sewn together
            E   **F#m**
We ve been stitched up sound

[Chorus]

                A   **E**   **F#m**
I don t wanna get bent to your bleary eyed blues
        A   **E** **F#m**
Or get so drunk that I turn 22
            D   **A**
She gets so high that she can t even speak

```
        D                          Bm
Cut a corner n get close to me
          E      F#m         Bm
We get sewn together
          E      F#m
We get sewn together

[Verse]

F#m               A
My guts on fire
F#m          A           D
It burns hotter now too
         Bm                    D
Since I changed my zip code
           E                     F#m
Its been killin me
                     A
But if everything s fine
F#m         A                 D
Please stop screaming so loud
          Bm              D
Weve been sewn togteher
           E                     F#m
Weve been stitched up sound

[Chorus]

            A              E              F#m
I don t wanna bent to your bleary eyed blues
        A              E  F#m
Or be a punk until im 42
          D                          A
I get so low that I can t even speak
       D                          Bm
Cut a corner and get close to me
         E      F#m
We get sewn together
Bm       E      F#m
We get sewn together
Bm          E
We get sewn to...

[Verse]

        Bm      A
...gether, Mama
```

```
      Bm          A     G
....gether, Oh-oh

Oh no
