

I Am A Lightning Rod

Margot & the Nuclear So and So's

Band- Margot and the Nuclear So & So s

Song- I Am a Lightning Rod

Album- Animal!/ Daytrotter Sessions EP

Tabber: Jon Green

The tab is based more off of the Daytrotter Session song and a cover video online where its just Richard playing the guitar. I donâ€™t know the technical chords name so sorry if they are a bit confusing. But let me know what you think. If you find mistakes I will gladly change them for you. I had trouble with the bridge after the second chorus so I think that I am wrong at that part. Listen to the song to get the rhythm down other than that this is a pretty simple song. Most of the song has the base note of each chord picked before strumming the rest of it. Anyways have fun.
