Maria Arredondo - Hardly Hurts at All

\* This is my first, so there can be some mistakes, but it sounds about right to me \*

**H** **E** **F#**  
It s my first summer since you told me that we re over  
**H** **E** **F#**  
It s my first summer since you went away  
**H** **E** **F#**  
But don t go thinking there s a chip upon my shoulder  
**H** **E**  
Cos I assure you everythings OK  
**F#**  
As I m sittin on top of the world

**H** **F#**  
Cos I m just going crazy  
**E** **F#**  
I m just climbing up the wall  
**H** **F#**  
I just cry myself to sleep at night  
**E** **F#**  
wondering why you never call  
**H** **F#**  
You were only all I dreamed of  
**E** **F#**  
and the only one I want  
**Abm** **F#**  
So why should I feel bad about it  
**E** **F#** **H**  
no it hardly hurts at all

**H** **E**  
Each time I see you I get shivers  
**F#**  
and my hand shake  
**H** **E** **F#**  
And everytime I feel like such a fool  
**H** **E**  
But don t you worry if I stumble and  
**F#**  
my voice breaks

**H** **E**  
Cos I assure you everything is cool  
**F#**  
as I m sittin on top of the world

**H** **F#**  
Cos I m just going crazy  
**E** **F#**  
I m just climbing up the wall  
**H** **F#**  
I just cry myself to sleep at night  
**E** **F#**  
wondering why you never call  
**H** **F#**  
You were only all I dreamed of  
**E** **F#**  
and the only one I want  
**Abm** **F#**  
So why should I feel bad about it  
**E** **F#** **H**  
no it hardly hurts at all

**D** **A#**  
Maybe someday you will know what i mean  
**E** **H**  
Yeah, you may even fall apart  
**D** **Hm**  
Maybe you ll know how it feels when  
**H** **C#**  
someone tears it apart, apart

**C#** **G#**  
I m just going crazy  
**F#** **G#**  
I m just climbing up the wall  
**C#** **G#**  
I just cry myself to sleep at night  
**F#** **G#**  
wondering why you never call  
**C#** **G#**  
You were only all I dreamed of  
**F#** **G#**  
and the only one I want  
**Bb** **G#** **F#**  
So why should i feel bad about it  
**G#** **C#**  
no it hardly hurts at al
