Maria Arredondo - Hardly Hurts at All

* This is my first, so there can be some mistakes, but it sounds about right to me *

H **D** **E**
It s my first summer since you told me that we re over
H **D** **E**
It s my first summer since you went away
H **D** **E**
But don t go thinking there s a chip upon my shoulder
H **D**
Cos I assure you everythings OK
E
As I m sittin on top of the world

H **E**
Cos I m just going crazy
D **E**
I m just climbing up the wall
H **E**
I just cry myself to sleep at night
D **E**
wondering why you never call
H **E**
You were only all I dreamed of
D **E**
and the only one I want
F#m **E**
So why should I feel bad about it
D **E** **H**
no it hardly hurts at all

H **D**
Each time I see you I get shivers
E
and my hand shake
H **D** **E**
And everytime I feel like such a fool
H **D**
But don t you worry if I stumble and
E
my voice breaks

H **D**
Cos I assure you everything is cool
E
as I m sittin on top of the world

H **E**
Cos I m just going crazy
D **E**
I m just climbing up the wall
H **E**
I just cry myself to sleep at night
D **E**
wondering why you never call
H **E**
You were only all I dreamed of
D **E**
and the only one I want
F#m **E**
So why should I feel bad about it
D **E** **H**
no it hardly hurts at all

C **G#**
Maybe someday you will know what i mean
D **H**
Yeah, you may even fall apart
C **Hm**
Maybe you ll know how it feels when
H **B**
someone tears it apart, apart

B **F#**
I m just going crazy
E **F#**
I m just climbing up the wall
B **F#**
I just cry myself to sleep at night
E **F#**
wondering why you never call
B **F#**
You were only all I dreamed of
E **F#**
and the only one I want
G# **F#** **E**
So why should i feel bad about it
F# **B**
no it hardly hurts at al
