

**Hardly Hurts At All**  
**Maria Arredondo**

Maria Arredondo - Hardly Hurts at All

\* This is my first, so there can be some mistakes, but it sounds about right to me \*

**H** **F#** **G#**  
It s my first summer since you told me that we re over  
**H** **F#** **G#**  
It s my first summer since you went away  
**H** **F#** **G#**  
But don t go thinking there s a chip upon my shoulder  
**H** **F#**  
Cos I assure you everythings OK  
**G#**  
As I m sittin on top of the world

**H** **G#**  
Cos I m just going crazy  
**F#** **G#**  
I m just climbing up the wall  
**H** **G#**  
I just cry myself to sleep at night  
**F#** **G#**  
wondering why you never call  
**H** **G#**  
You were only all I dreamed of  
**F#** **G#**  
and the only one I want  
**Bbm** **G#**  
So why should I feel bad about it  
**F#** **G#** **H**  
no it hardly hurts at all

**H** **F#**  
Each time I see you I get shivers  
**G#**  
and my hand shake  
**H** **F#** **G#**  
And everytime I feel like such a fool  
**H** **F#**  
But don t you worry if I stumble and  
**G#**  
my voice breaks

**H** **F#**  
Cos I assure you everything is cool  
**G#**  
as I m sittin on top of the world

**H** **G#**  
Cos I m just going crazy  
**F#** **G#**  
I m just climbing up the wall  
**H** **G#**  
I just cry myself to sleep at night  
**F#** **G#**  
wondering why you never call  
**H** **G#**  
You were only all I dreamed of  
**F#** **G#**  
and the only one I want  
**Bbm** **G#**  
So why should I feel bad about it  
**F#** **G#** **H**  
no it hardly hurts at all

**E** **C**  
Maybe someday you will know what i mean  
**F#** **H**  
Yeah, you may even fall apart  
**E** **Hm**  
Maybe you ll know how it feels when  
**H** **Eb**  
someone tears it apart, apart

**Eb** **Bb**  
I m just going crazy  
**G#** **Bb**  
I m just climbing up the wall  
**Eb** **Bb**  
I just cry myself to sleep at night  
**G#** **Bb**  
wondering why you never call  
**Eb** **Bb**  
You were only all I dreamed of  
**G#** **Bb**  
and the only one I want  
**C** **Bb** **G#**  
So why should i feel bad about it  
**Bb** **Eb**  
no it hardly hurts at al
