

A Good Heart
Maria McKee

Maria McKee - A Good Heart

Capo 3

I [G]hear a lot of [Em7]stories, I sup[D]pose they could be [G]true
[G]All about [C]love and what [G]it can do for [D]you
High [G]is the risk of [Em7]striking out, the [D]risk of getting [G]hurt
And [G]still I [G]have so [C]much to [C]learn [C] [C]

Well I [C]know___ [C]
cos I [C]think a[C]bout it
[G]all the [G]time [D] [G]
I [C]know__ [C] that [C]real [C]love
is [D]hard to [D]find [D] [D]

And a [G]good [Em7]heart these days is [D]hard to [G]find
[G]True [C]love, the [G]lasting [D]kind
A [G]good [Em7]heart these days is [D]hard to [G]find
So [G]please be [G]gentle with this [C]heart of [C]mine

My [G]expectations [Em7]may be high, I [D]blame it on my [G]youth
[G]Soon enough I ll [C]learn the [G]painful [D]truth
I ll [G]face it like a [Em7]fighter then [D]boast of how I ve [G]grown
[G]Anything is [G]better than [C]being A[C]lone__ [C] [C]

Well I [C]know__[C]__
cos I [C]learn A [C]little [G]every [G]day [D] [G]
I [C]know__[C] cos I [C]listen [C]when the
[D]experts [D]say__[D]__[D]

That a [G]good [Em7]heart these days is [D]hard to [G]find
[G]True [C]love, the [G]lasting [D]kind
A [G]good [Em7]heart these days is [D]hard to [G]find
So [G]please be [G]gentle with this [C]heart of [C]mine

As [G]I reflect on [Em7]all my [D]childhood [G]dreams
[G]My ideas of [C]love weren t as [G]foolish as they [D]seemed
[G]If I don t start [Em7]looking now [D]I ll be left be[G]hind
And a [G]good [G]heart these days, [C] [C] it s [C]hard to [C]find

Well I [C]know__[C]__
it s a [C]dream I m [C]willing
[G]to de[G]fend [D] [G]
I [C]know__[C]__ it will [C]all be [C]worth it

[D]in the [D]end__[D]__ [D]

A [G]good [Em7]heart these days is [D]hard to [G]find
[G]True [C]love, the [G]lasting [D]kind

A [G]good [Em7]heart these days is [D]hard to [G]find
So [G]please be [G]gentle with this [C]heart of [C]mine

A [G]good [Em7]heart these days is [D]hard to [G]find
[G]True [C]love, the [G]lasting [D]kind

A [G]good [Em7]heart these days is [D]hard to [G]find
So [G]please be [G]gentle with this [C]heart__[C]__
[C6]With this [C6]heart of [G]mine
