

Home For Christmas
Maria Mena

D **G**
Careful what you say
A
This time of year
G
Tends to weaken me
D **G**
And have a little decency
A **G**
And let me cry in peace
D **G**
But there's a place where I
A **G**
Erase the challenges I've been through
D **G**
Where I know every corner
A
Every street-name
G
all by heart

G **D**
And so it is a part of my
G **Asus A**
courageous plan to leave
G **D**
With a broken heart
G **Asus A**
Tucked away under my sleeve

D **G**
I wanna go home for Christmas
Asus A **Bm7**
Let me go home this year
D **G**
I wanna go home for Christmas
Asus A **D**
Let me go home this year

D
I'll pack my bags
G **A** **G**
and leave before the sun rises tomorrow
D **G** **A**
Cause we act more like strangers for each day
G
That I am here

D **G**
But I have people close to me
A **G**
Who never will desert me
D **G**
Who remind me frequently
A **G**
What I was like as a child

G **D**
And so it is a part of my
G **Asus A**
courageous plan to leave
G **D**
With a broken heart
G **Asus A**
Tucked away under my sleeve

D **G**
I wanna go home for Christmas
Asus A **Bm7**
Let me go home this year
D **G**
I wanna go home for Christmas
Asus A **D**
Let me go home this year

D **G**
I dont know what my future holds
A **G**
or who Ill choose to love me
D **G**
But I can tell you where Iâ€™m from
A **G**
And who loved me to life

G **D**
And so it is a part of my
G **Asus A**
courageous plan to leave
G **D**
With a broken heart
G **Asus A**
Tucked away under my sleeve

D **G**
I wanna go home for Christmas
Asus A **Bm7**
Let me go home this year
D **G**
I wanna go home for Christmas

Asus A D

Let me go home this year
