

## Leap Year

Maria Taylor

Am Em  
Save my money  
F C  
For that plane ride  
Am Em  
Horn of plenty  
F C  
Heavy sun light  
Am Em  
Autumn s bounty  
F C  
Bread and red wine  
Am Em  
In a hurry  
F C  
But there s so much time

F F

G F C Am  
I will wa-it for you  
G F  
Growing love but like water  
C Am  
Time will always slip through  
G F C Am  
I will wa-it for you  
G G Am Em F C  
But please come soon

[as first verse]  
The wind sounds angry  
But my coat s kind  
Wrapped in blankets  
In the daylight  
Winter s longing  
Somewhere to close behind  
In a hurry  
But there s so much time

[as first chorus]  
I will wait for you  
Growing love but like water  
Time will always slip through  
I will wait for you

C Am Em C

Is it in a plan

**C Am Em C**

Written in your hand

**G Em**

Believe or understand

**G**

Something other than

**C Am Em C**

Fear is blinding lights

**C Am Em C**

Squeeze my eyes so tight

**G Em**

Could you make a flower grow

**G**

Would you let me know

[as first chorus]

I will wait for you

Growing love but like water

Time will always slip through

I will wait for you

But please come soon
