Not certain on the lyrics. Or if there are variations of the chords. Feel free to comment with corrections.

Capo 4

Am

I m keepin up keepin up

F C

with the time lapse lifeline

Am

They can run they can run

F C

from the farm to the last ride

Am

And you can hear you can hear

F C

the first beat to the flat line

Am

I m keepin up keepin up

F C

with the time lapse lifeline

Em F

and once it s done

Am

Oh we dreamed a life

F

It was just like that, was just like that

C

and just like and just like that

F

it s done

Am

Oh we dreamed a life

F

It was just like that, was just like that

C

and just like and just like that

F

it s done

Am

Back it up back it up

F C

Stop fast forward rewind

Am

Watch the sun and moon

F C

takin turns in the same sky

Am

And you were dead as the leaves now you re

F C

new as the spring time

Am

Back it up I get up

F C

Stop fast forward rewind

Em F

And once it s done

Am

Oh we dreamed a life

F

It was just like that, was just like that

C

and just like and just like that

F

it s done

Am

Oh we dreamed a life

F

It was just like that, was just like that

C

and just like and just like that

F

it s done

Am

Still we stand with the help of

F

a steady hand, capture images

C

A boy, **A** man

Em

until it s done

Am

And seven years combined is just the flicker of

F

a neon sign little negatives of

C

hopes refined

Em

until their done

F

oh they done

Am

Oh we dreamed a life

F

It was just like that, was just like that

C

and just like and just like that

F

it s done

Am

Oh we dreamed a life

F

It was just like that, was just like that

C

and just like and just like that

F

it s done
