Capo on third fret.

Em **C**
Hey, hey.....

G
You re almost home
You re almost home

Bm
You re almost home

Em
I ve seen the light in the sky

C
In the skies are like fireflies

G **Bm**
Burning bright, just to vanish in the dark

Em
I ve held hope in my two hands

C
That there would be another chance

G **Bm**
To find the kingdom, I m believing in my heart

C **D**
Cause underneath the good there s something greater than you know

Chorus:

G
When you re almost there

Bm **Em**
And you re almost home

C
Just open up your eyes and go, go

G **Bm** **Em**
When you re almost there, almost home

D
Know you re not alone

C **Am** **G**
You re almost home, almost home.

Em
When you run, run so far
C
You've forgotten who you are
G **Bm**
Where you're from, it's like some other universe
Em
You count your steps, like they're regrets
C
You catch one breath then lose the rest
G
Wrong is right, right is left
Bm
And there's nowhere left to turn

C
So don't believe in everything
Am
You think, you think you know

Chorus:

G
When you're almost there
Bm Em
And you're almost home
C
Just open up your eyes and go, go
G Bm Em
When you're almost there, almost home
D
Know you're not alone
C Am G
You're almost home, almost home

C D G
When you let your heart be the compass
C D G
You won't get lost, not if you trust it
C D Em
When you hear the sound of the trumpet
Am C D
Louder than ever before

Chorus:

G#
When you're almost there
Cm F#m
And you're almost home
C#
Just open up your eyes and go, go

G# Cm F#m
When you re almost there, almost home
D#
Know you re not alone
C# A#m G#
You re almost home, almost home

G#
When you re almost there
Cm F#m
And you re almost home
C#
Just open up your eyes and go, go
G# Cm F#m
When you re almost there, almost home
D#
Know you re not alone
C# A#m G#
You re almost home, almost home
