Daydream

Guitar 1 is an acoustic-electric guitar that uses a delay effect.  
I think there is a guitar 2 but I can't seem to transcribe it.

This thing should get you started playing the song.

Lyrics:

We were as one  
For a moment in time  
And it seemed everlasting  
That you would always be mine  
Now you want to be free  
So I'll let you fly  
Cause I know in my heart  
Our love will never die

You'll always be a part of me  
I'm part of you indefinitely  
Boy don't you know you can't escape me  
Ooh darling cause you'll always be my baby  
And we'll linger on  
Time can't erase a feeling this strong

Now way you re ever gonna shake me  
Oh darling cause you ll always be my baby

I ain t gonna cry  
And I won t beg you to stay  
If you re dtermined to leave boy  
I will not stand in your way  
But inevitably, you ll be back again  
Cause you know in your heart babe  
Our love will never end

You ll always be a part of me  
i m part of you indefinitely  
Boy don t you know you can t escape me  
Ooh darling cause you ll always be my baby  
And we ll linger on  
Time can t erase a feeling this strong  
Now way you re ever gonna shake me  
Oh darling cause you ll always be my baby

I know that you ll be back boy  
When your days and your nights get a little bit colder  
I know that you ll be right back baby  
Oh baby believe me it s only a matter of time

You ll always be a part of me  
i m part of you indefinitely  
Boy don t you know you can t escape me  
Ooh darling cause you ll always be my baby  
And we ll linger on  
Time can t erase a feeling this strong  
Now way you re ever gonna shake me  
Oh darling cause you ll always be my baby
