

Close My Eyes
Mariah Carey

Intro: G A x2

G A
I was way - ward child
G
With the weight of the world
A
That I held deep inside
G A
Life was a winding road
G
And I learned many things
A
Little ones shouldn t know

G A
But I closed my eyes
G
Steadied my feet on the ground
A
Raised my head to the sky
G A
And though time s rolled by
G
Still I feel like that child
A
As I look at the moon
G
Maybe I grew up
A
A little too soon

G A x4

G A
Funny how one can learn
G
To grow numb to the madness
A
And block it away
G A
I left the worst unsaid
G
Let it all dissipate

A

And I try to forget
