D A F#m
once upon a time we swore not to say goodbye . something got a hold of us
Am D A
and we changed . and then you sat at home in pride . and i sat at home and
F#m Am
cried how our fairytell just end up this way ...

(prechorus)

D A F#m
we went round for round till we knocked love out . we were laying in the
Am D A F#
ring not making a sound . and if that s a metaphor of you and i . why is it
Am
so hard to say goodbye?

(chorus)

D A F#m
i can t wait to hate you make you pain like i do . still can t shake you
Am D A F#m
off .. i can t wait to break through these emotional changes .. seems like
Am D A
such a lost cause.. i can t wait to face you break you down so low theres
F#m Am
no place left to go ..
D A F#m Am
i can t wait to hate you oOooooo oO000ooo

This was a life we lived that no one could explain
I wish like the press would say we would feel that feeling again
I d sit and press rewind
And watch us every line
Wanna pose it but I can t make it stay

We went round for round
Til we knocked love out
We would lay in the ring not making a sound
And if there s a methaphor of you and I
Why is this so hard to say goodbye?

I can t wait to hate you
Make you pain like i do
Still can t shake you off
I cant wait to break through this emotional changes
It seems like I m searching
I m lost cause

I can t wait to face you
Make you down so long
There s no place left to go
I can t wait to hateu (baby)
Oh oooh

No need to call on my phone
Cause I ve changed my number today
And as a matter of fact
I think I m moving away (away)
Sorry to frustrations gotta me feeling no way
And I just keep everyone lasting the same *

I just wanna hold you
Touch you
Feel you
I need you
I miss you
Baby baby baby
I try and I try and I fake through
But there s nothing I can do
Boy I
Can t wait to hateu

I can t wait to hate you
Make you pain like i do
Still can t shake you off
I cant wait to break through this emotional changes
It seems like I m searching
I m lost cause
I ca nt wait to face you
Make you down so long
There s no place left to go
I cant wait to hateu (baby)
Oh oooh

I can t wait to hate you
