... e fica assim até o fim da música. Espero que gostem!

I m lookin for my one and only
Every time I turn around
I find my heart in pieces on the ground
So, so lonely
I m lookin for my one and only

I m riding home in pain again, baby
But that don t mean sh*t to you
You re currently engaged
In an intimate conversation
With a young groupie or two
They say Players only love you
When they re playing games
Still, I gave my heart to you
I should have stayed away
Like my friends all told me to

[chorus]
Every time I turn around
I find my heart in pieces on the ground
So, so lonely
I m lookin for my one and only
Every time I turn around
I find my heart in pieces on the ground
Why can t I find my one and only

See, I m looking for a man that ll rub me slow
Make me sing real high
When he goes down low
But see, it ain t just a physical thing
He s gotta treat me affectionately

And I gotta know he won t betray my trust
Just like every other motherf*cker does
Is this just an impossible dream, baby
Too elusive to pursue
It s been such a sad and windy road for me
Just searchin for the truth

[chorus]

Every time I turn around
I find my heart in pieces on the ground
So, so lonely
I m lookin for my one and only
Every time I turn around
I find my heart in pieces on the ground
Why can t I find my one and only

[Twista]

Now you know I roll a Beamer and a Benz
And I m dishin out N s
While you trippin on a playa
Baller, havin bitter conversations
While we re rollin on 24 s
And I know you got doubts
Why you listen to what people talk about
You ain t figured out why they call ya
The heavy steady hatin cause
You rollin on 24 s
See how your money flows
You dress in designer clothes
From head to the toe
You ain t satisfied, well tell me
What you lookin for

[Mariah]

I m lookin for my one and only

[Twista]

Well, I ll be your one and only
If you give me a chance
I ll make the change for you, girl
I know I ain t been the most faithful
Nigga in the world
But let s stay together so we can shine like pearls
Spendin it to awhile I feel us wish
You on fire
To kiss your lips, I desire
Twist and Mariah, together like a
Grip on the tire

[Mariah]

I m lookin for my one and only

[Twista]

Well, come on Shorty, let me make it better
We can do whatever
While we re sittin on suede and leather
Thinkin through the city
While we rollin lonely
Let s kick it in the Chi
I know I messed up with ya, I ain t gon lie
I know you were feelin
You really know your guy
But baby girl, I ain t mean to blow your high
Let me pick the pieces up
And put them back together cause I wanna be with you
Don t wanna leave you lonely
Ride with you like a homey, never, no phony
Shorty, can I be your one and only

[chorus]

Every time, oh mmm
Every time I turn around
I find my heart in pieces on the ground
So, so loney
Why
I m looking for my one and only
Every time I turn around
Ah, ha ha ha ha
I find my heart in pieces on the ground
Why can t I find my one and only
Still lookin for my one and only
Every time I turn around
Ah, ha ha ha ha
I find my heart in pieces on the ground
So, so lonely
Yeah, I m lookin for my one and only
I m lookin for my one and only
Every time I turn around
Ah, ha ha ha ha
I find my heart in pieces on the ground
I m lookin for my one and only
Why can t I find my one and only
Ah
