Verse 1:

Cmaj7	B7
One	summer night

Am7	G*
We ran away for a while	

Cmaj7	B7
Laughing, we hurried beneath the sky	

Am7	G*
To an obscure place to hide	

G*
That no-one could find

Chorus:

Cmaj7	Bm7	Am7
And we drifted to another state of mind		

Cma7	Bm7	Am7
And imagined I was yours and you were mine		

Cmaj7	Bm7
As we lay upon the grass	

Am7
There in the dark

G*
Underneath the stars
(Young love)

G*
Underneath the stars
(Young love) ohh baby

Verse 2: (Same as 1)

B7
Weak in the knees
Wrapped in the warm gentle breeze, and I,
So shy, a bundle of butterflies
Flush with the heat of desire
On a natural high

Chorus:

As we drifted to another place in time

And the feeling was so heavy and sublime
As I lost my heart to you
There in the dark
Underneath the stars
(Young love) ohhhhhh

Cmaj7

Ohh, Beautiful and bittersweetly

Bm7

You were fading into me

Am7

G*

And I was gently fading into you

Cmaj7

But the time went sailing by

Bm7

Reluctantly we said goodbye

Am7

G*

And left our secret place so far behind

Cmaj7

B7

And I lay in bed all night

Cmaj7

And I was drifting

Bm7

Drifting

Am7

Drifting

G*

Drifting

And I was yours

And you were my own

My own baby

As we lay

As we

Lay underneath the stars

(Young love)
