[Intro]

Am Am E E Dm Dm C E

[Verse]

Am Am E E Dm Dm C E
I ve been wanting to go down this road with you a long time now
Am Am E E
And I ve been ho-----ping that you ll find
Dm Dm C E
A way to swallow your pride, and let go of the time, now

[Chorus]

Am Am
Let s go underground, where we can t be found
E E
And forget the world around us
Dm
Darling, can t you see?
Dm
There s just you and me
C E
So take off your cool, then your blues, then your shoes

Am Am
Let s go underground, where we can t be found
E E
And forget all the bad things that surround us
Dm Dm
Can t you see? There s nobody else here
C E
So take off your cool, then your blues, then your shoes

[Interlude]

Am Am E E Dm Dm C E
Aaaaa-aaaaa lalala lalalai lai lai la lala lalala

[Verse]

Am Am
So now we re drifting
E E
Towards each othe-----r

Dm Dm C E
And an ocean of emotion is thundering in my blood
Am Am E E
So uplifting when you shower me
Dm Dm C E
With your warmth and your thoughts and all the love you got

Am Am
And it s not too far from my shore to your shore

E E
Not too far from my door to your door
Dm Dm
Not too far from my heart to your heart

C E
Darling, you know

Am Am E E
That thi-----s place, is sa-----fe
Dm Dm C E
Da-----rling, let go, let s go

[Chorus] (acceleration)

Am Am
Let s go underground, where we can t be found

E E
And forget the world around us

Dm
Darling, can t you see?

Dm
There s just you and me

C E
So take off your cool, then your blues, then your shoes

Am Am E E Dm Dm C E
Aaaaa-aaaaa lalala lalalai lai lai la lala lalala (x2)

[Outro]

Am Am
Let s go underground, where we can t be found

E E
And forget the world around us

Dm
Darling, can t you see?

Dm
There s just you and me

C E
So take off your cool, then your blues, then your shoes

Am Am
Let s go underground, where we can t be found

E E

And forget all the bad things that surround us

Dm

Dm

Can t you see? There s nobody else here (Decel)

C

E

So take off your cool, then your blues, then your shoes
