MARIANAS TRENCH - Alibis

Standard Tuning: EADGBE

D **Bm**
From the scrapes and bruises
G
To the familiar abuses
D **A** **G**
I ll kick and scream but it never changes anything

D **Bm**
I could spill my guts out
G
Wearing my best little girl pout
D
And I almost missed it
A **G**
But nobody said that this was gonna be easy

D
This is not the man I hoped to be, and
Bm
I m just trying to stop the bleeding
G
I don t know how to word it
D
I just started to deserve it
D **G**
And all my, all my faces are alibis
G
And me, I m half the man I wanted to be

D **Bm**
Most times it all comes out wrong
G
I don t know the words but I ll hum along
D **A**
There s nothing familiar here anymore
G **D**
to anyone or anything left to feel alive

D **Bm**
And I still taste that sickness
G
And it makes me crazy without it at best

But I m in the same place I used to be
