

Beside You
Marianas Trench

Just making some changes to the other tab that was made
Hope you like it!

Capo 2, or none, I play it without and it sounds alright.

Beside You
-Marianas Trench

 D A C/B G
When your tears are spent on your last pretense
 D A C/B G
And your tired eyes refuse to close and sleep in your defense
 D A C/B G
When it s in your spine, like you ve walked for miles
 D A C/B G
And the only thing you want is just to be still for a while

G D C/B D

 D
And if your heart wears thin,
 A
I will hold you up
 C/B G
And I will hide you when it gets too much
 D A
I ll be right beside you
 C/B G
I ll be right beside you

 D A C/B G
When you re overwhelmed and you ve lost your breath
 D A C/B G
And the space between the things you know is blurry nonetheless
 D A C/B G
When you try to speak, but you make no sound
 D A C/B G

And the words you want are out of reach, but they've never been so loud
