Bm **F#** **Bm**
There s a little bird that somebody sends
Bm **Gmaj7** **F#**
Down to the earth to live on the wind
Bm **Gmaj7** **G/B**
Borne on the wind and he sleeps on the wind
Bm **F#**
This little bird that somebody sends
Bm **F#** **Bm**
He s light and fragile and feathered sky blue
Bm **Gmaj7** **F#**
So thin and graceful the sun shines through
Bm **Gmaj7** **G/B**
This little bird who lives on the wind
Bm **F#** **Bm**
This little bird that somebody sends
Bm **C#m7** **A**
He flies so high up in the sky
G/B **F#**
Out of reach of human eye
Bm **G/B** **Gmaj7**
And the only time that he touches the ground
Bm **F#**
Is when that little bird
Bm **F#**
Is when that little bird
Bm **F#** **Bm**
Is when that little bird dies
