In a tired part of the city

Hiding from the fast talk  
**D** **E** **A**  
Watch Don t walk to Walk  
**D**  
Easy when you re dreaming  
**D**  
Staring at the movies  
**D**  
Standing in a circle,  
**D** **A**  
Laughing at the wrong time.

**D**  
If alcohol could take me there.  
**D**  
I d take a shot a minute  
**D** **A**  
And be there by the hour.  
**D**  
Take a walk around Times Square  
**D**  
With a pistol in my suitcase  
**D** **A**  
And my eyes on the TV.

**A** **F#m**  
In a car taking a back seat  
**D**  
Staring out the window  
**D**  
Thinking about danger.  
**D**  
Playing in a wrong chord  
**D**  
Fighting but I m not free.  
**D**  
Talking on the telephone  
**D** **E** **A**  
Talking about you and me.

**D**  
If Jesus Christ could take me here

**D**  
I d fall dawn on my knees,

**D** **A**  
Have no questions to His answers.

**D**  
Take a walk around Times Square

**D**  
With a pistol in my suitcase

**D** **A**  
And my eyes on the TV.

**D**  
Alcohol could take me there.

**D**  
I d take a shot a minute

**D** **A**  
And be there by the hour.

**D**  
Take a walk around Times Square

**D**  
With a pistol in my suitcase

**D** **A**  
And my eyes on the TV.

**A** **F#m**  
And if I die gaining my senses

**D**  
Wake up in a hotel

**D** **A**  
Staring at the ceiling.
