Who Will Take My Dreams Away?
Marianne Faithfull

From the soundtracks of La Fille Sur Le Pont and La Cité des Enfants Perdus.

The original version was recorded in Ab minor. This is tabbed in A minor so if you wish to play along to the original you will need to tune your strings down a half tone.

Am **Dm**
I can't give you all my dreams
E **E7** **Am**
Nor the life I live.
Am **F** **E** **Am**
You and I know what friendship means,
 E **E7** **Am E7**
That's all we got to give.

Am **Dm**
Who will take your dreams away
E **E7** **Am**
Takes your soul another day.
Am **F** **E** **Am**
What can never be lost is gone,
 E **E7** **Am E7**
They've stolen it away.

Am **G** **Am**
Please, don't stand too close to me,
Am **Dm** **Am**
Can you hear my heart?
F **G** **Am**
Take my warmth and lean on me
E **E7** **Am E7**
When we're not apart.

Am **Dm**
Now our mission is complete
E **E7** **Am**
And our friends are here
Am **F** **E7** **Am**
Evil things brought down by the light,
F **Dm7** **E7** **Am**
Life goes on until the end.
