Buried in teeth

Em

Buried in teeth

Em

Buried in teeth

C

G

D

Can t tell if I ve got black roots or braids

Em

Growing out of my head

C

G

D

Grandfather s eating our grains

Em

Buried in teeth

Em

Buried in teeth

Em

Buried in teeth

C

G

D

Can t tell if I ve got rivers or veins

Em

Running under my skin

C

G

D

Flowing out over the plains

Em

There s trapped antennae

C

G

D

All tangled up with these brains

Em

C

G

D

And the spin of cocoons whispers your names

Em

D

Em

While the crash of molars it sifts us downward

Em

Am

D

Em

Down past the roll of ancient thunder

Em

Am

D

Em

Down past the delicate bones of birds wings

Em

Am

D

Em

Those that never took the flight of morning

Em

Am

D

Em

Down past the fossil ferns and antlers

Em

Am

D

Em

A pack of ghost wolves are going to bring you under

Em

D

Em

Down past the stomachs filled with berries

Em Am D Em

Swallowed down into the gut of centuries

C G Am

Where we'll petrify

C G

Strong willed, feeble, amber eyed

C G Am

There we'll petrify

C G

Strong lunged, weary, amber eyed

C G

Strong winged, teary, amber eyed

Em

Amber eyed

Em

Buried in arms

Em

Buried in arms

Em

Buried in arms

C G D

Can't tell if it's your elbows or twine

Em

All wrapped round my waist

C G D

A tangled mess divine

Em

Buried in arms

Em

Buried in arms

Em

Buried in arms

C G D

Can't tell whose triggers are whose

Em

So we'll pull every one

C G D

Firing diamonds at boots

Em D Em

The crash of molars it sifts us downward
