 Misplaced Childhood by Marillion

Here is a complete transcription of the guitar part of the whole album
 Misplaced Childhood by Marillion (except those songs which have already
 been done and are at Nevada).

Bear in mind that this is just what I hear/play - feel free to disagree.
 I would love to hear any corrections you have, etc. I've worked from
 the original version, not the live version on The Thieving Magpie -
 there are some differences.

PSEUDO SILK KIMONO

No guitar that I can make out, but here are some chords if you want
 to give it a go...

Bm **G** **Bm**
 Huddled in the safety of a pseudo silk kimono, wearing bracelets...

A **G**
 Cruel joke, cruel joke...

KAYLEIGH

This has been superbly transcribed by Shane P Faulkner, and is at
 Nevada, so I'm not going to repeat it here.

LAVENDER

This has also been done, again by Shane, and is also at Nevada.
