Quartz Less Is More Marillion

Marillion - Quartz (Less Is More version)

Intro: Em

Em F#m

I can imagine nothing more tedious

Em F#m

Than trying to have fun with you again

Em F#m

Maybe it s just something in my mind

Em F#m

But I hate feeling like I m trying all the time

Em

It s a kind of lie

When we pretend that we re still friends

Em F#m

And every time I smile d you wonder if I m laughin at you?

lm F#r

And with every little grin you don t want to be wonderin

Em F#m Em F#m

Just exactly what it is I m taking pleasure in

Guitar melody: Em

 $\mathbf{E}\mathbf{m}$

Although I always said

F#m Em

We were basically the same and all one

F#m

All one

Em F#m

It s so easy to persuade myself

Em F#m

That I m clockwork and you re quartz

Em F#m

I m clockwork and you re quartz

Guitar melody: Em

Gm Fm

You re only happy when you re oiled and jewelled

Ebm Dm

You re only happy when you wind me up

Gm Fm

And I know You re so reliable it isn t true

Ebm Dm

And it s so easy for me to break down

Gm Fm

If I could jump a ride between the skin and silicon then

Ebm

We could join hands and understand. Hallelujah!

Gm

But I listen

Fm

to the ticking

Ebm Dm

I guess we re worlds apart ...

For this part, just follow the ${\it Gm/Fm/Ebm/Dm}$ progression until the end, end on ${\it Em}$

It s so hard

So hard

So hard
