Riff 3:

B[-12b-12-10-8--]

Theres something cold and blank  
Behind this smile  
Shes standing on an overpass  
In a miracle mile (Riff 1 played repeatedly over verse)  
Cos you were from a perfect world  
A world that threw me away today  
today, today, todayay she ll runaway

**A C**

A pill to make you numb

**G**

A pill to make you dumb

**F**

A pill to make you anybody else

**A C**

But all the drugs in this world

**G F**

Wont save her from herself

(riff 2)

Her mouth was an empty cut

She was waiting to fall

Just a bleeding like a polaroid

Lost all her dolls (Riff 1 played repeatedly over verse)

Cos you were from a perfect world

A world that threw me away today  
today, today, todayay she ll runaway

**A C**

A pill to make you numb

**G**

A pill to make you dumb

**F**

A pill to make you anybody else

i think thats it, its all there just sort it out yourself
