Subject: Dope Hat by Marilyn Manson

Here are the chords for the song Dope Hat by Marilyn Manson. It is off of Portrait of an American Family. Dope Hat is a groovy tune that makes my feet soak.

Intro

Slide down to **F#5 A5 F#5 C5 B5 F#5**

THEN SOME DUDE SAYS SOME INTERESTING THINGS

Then slide down to **F#5 C#5 C5 B5**

I peek into the hole  
I struggle for control  
the children love the show  
but they fail to see the anguish in my eyes  
fail to see the anguish in my eyes

THEN THERE IS A SOLO KIND OF THING. ANYTHING YOU PLAY PRETTY MUCH SOUNDS RIGHT. I AM JUST A PIECE. THE MAIN RIFF PLAYS THROUGH IT.

I scratch around the brim  
I let my mind give in  
The crowd begins to grin  
but they seem to scream as darkness fills my eyes  
seem to scream as darkness fills my eyes  
it s no suprise

THEN WE HAVE

**F#5 A5 F#5 C5 B5**

Fail to see the tragic  
Turn it into magic

**B5 G5 B5 G5**

My big top tricks will always make you happy

**C#5**            **A5**                            **C#5**        **A5**  
But we all know the hat is wearing me

THEN SLIDE DOWN WHILE STRUMMING.

My bag is in the hat  
It s filled with this and that  
My vision s getting fat  
the rabbits just a monkey in disguise  
stars and pills and needles dance before our eyes  
They will bite the hand  
If it s slower than  
the quickness of their scrutinizing eyes

THEN THERE IS ANOTHER SOLO TYPE THING HERE. I DIDN T FIGURE IT OUT SO  
NOW YOU SHALL SUFFER. LIKE, DROP YOUR GUITAR AND DANCE ON IT AND IT  
MIGHT SOUND RIGHT. MAYBE NOT...

Fail to see the tragic  
Turn it into magic

My big top tricks will always make you happy  
but we all know the hat is wearing me

**Eb5**    **B5**                            **Eb5**        **B5**  
Chicanery will always make you happy  
**F5**            **C#5**                            **F5**        **C#5**  
But we all know the hat is wearing me

There it is. The great song called Dope Hat. Sometimes I like to  
listen to it while I eat food. That is when I enjoy it the least,  
though. Mostly I like to stick it. If you have any questions e-mail  
me and I will answer all of them. This might have come out cruddy and  
that would smell badly.
