[Intro/Verse]

**Fm C7 Bbm Ab**

**Fm C7**  
It s the film close to the third act and the misery  
**Bbm Ab Fm**  
It s not rain, you rapist werewolves, it s God pissing down on you  
**C7**  
You won t die alone, cause I ll break off my own arms  
**Bbm Ab Fm**  
Sharpen my bones, stab you once for each time I thought you were trying to take something  
**C7 Bbm Ab**  
You ll never be good enough to even look upon

[Chorus Pt1]

**Bbm Ab Bbm**  
It s better to push something when it s slipping  
**Ab**  
Than to risk being dragged down

[Chorus Pt2]

**Fm** **Eb**  
If you want to hit bottom  
**Bbm** **Db**  
And bother trying to take it me with you  
**Fm** **Eb**  
And I won't answer if you call  
**Bbm** **Db**  
Too happy to live in Hell trying to break your fall your fall

[Intro/Verse]

**Fm C7 Bbm Ab**

**Fm** **C7**  
This isn't mine, won't need to change the names  
**Bbm** **Ab**  
Everyone around you has murdered someone, something sacred  
**Fm** **C7**  
Isn't one nail without her under it  
**Bbm** **Ab**  
Isn't any white cotton panties that are soaked and stained red

[Chorus Pt1]

It's better to push something when it's slipping  
Than to risk being dragged down

[Chorus Pt1]

**Bbm** **Ab** **Bbm**  
It's better to push something when it's slipping  
**Ab**  
Than to risk being dragged down

[Chorus Pt2]

**Fm** **Eb**  
If you want to hit bottom  
**Bbm** **Db**  
And bother trying to take it me with you  
**Fm** **Eb**  
And I won't answer if you call  
**Bbm** **Db**  
Too happy to live in Hell trying to break your fall your fall

[Intro/Verse]

**Fm C7 Bbm Ab**

Into the fire  
Fire  
Into the fire, fire  
Into the fire, fire
