[Lyrics]

[Verse 1]
Remember when I took you up to the top of the hill
We had our knives drawn, they were as sharp as we were in love
If God crossed us we d take all his drugs
Burn his money and his house down and wait for the fire to spread

[Pre-Chorus]
Sometimes hate is not enough to turn this all to ashes
Together as one against all others
Break all of their wings and make sure that it crashes

[Chorus]
We re running to the edge of the world
Running, running away
We re running to the edge of the world
I don t know if the world will end today

[Verse 2]

I had no choice to erase the debt of our families
Let you say goodbye with lips like dynamite
Everyone turned their backs because they knew
When we held on tight to each other
We were something fatal that fell into the wrong hands

[Pre-Chorus]

Sometimes hate is not enough to turn this all to ashes
Together as one against all others
Break all of their wings and make sure that it crashes

[Chorus]

We re running to the edge of the world
Running, running away
We re running to the edge of the world
I don t know if the world will end today

[Bridge]

We don t seek death, we seek destruction
Death, we seek destruction
We don t seek death, we seek destruction
Death, we seek destruction

[Chorus]

We re running to the edge of the world
Running, running away
We re running to the edge of the world
I don t know if the world will end today
We re running to the edge of the world
Running, running away
We re running to the edge of the world
I don t know if the world will end today

[Outro]

See a new beginning rise behind the sun
We could never catch up to them as fast as we run
See a new beginning rise behind the sun
We could never catch up to them as fast as we run
See a new beginning rise behind the sun
We could never catch up to them as fast as we run
See a new beginning rise behind the sun
We could never catch up to them as fast as we run
