Intro:

E Cmaj7 E Cmaj7 E Cmaj7 E Cmaj7

E Cmaj7

They slit our throats

E Asus2

Like we were flowers

E G F# E

And our milk has been devoured

Asus2

When you want it

E

It goes away too fast

Asus2

Times you hate it

E

It always seems to last

Asus2 Cmaj7

But just remember when you think you re free

Asus2 G--F#--F--e

The crack inside you fucking heart is me

E Cmaj7 E Cmaj7

[[I wanna outrace the speed of pain for another day ]]

E Cmaj7

I wish I could sleep

E Asus2

But I can t lay on my back

E

Because there s a knife

G F# E

For everyday that I ve known you

Asus2

When you want it

E

It goes away too fast

Asus2

Times you hate it

**E**

It always seems to last

**Asus2**

**Cmaj7**

But just remember when you think you re free

[[I wanna outrace the speed of pain for another day ]]

all played twice, picked, listen for song for pattern, pretty easy

Gx875xx A#xx886x Cxx553x Dxx775x

Lie to me, cry to me, give to me I would

G#xxx664 F#xxx442 Fxxx331

Keep all your secrets wrapped in dead hair always

Gx875xx A#xx886x Cxx553x Dxx775x

Lie with me, die with me, give to me I would

G#xxx664 F#xxx442 Fxxx331

I hope we die holding hands for always
