B **Ebm**

I had a feeling when I met you

B **Ebm**

Didn't think liars eye came in blue

And got my heart handcuffed to a stranger

When you realise that you give your life

To someone that has given up on you

I'm thinking and say I think a lot of you

B **Ebm**

Regardless of what you did and what I didn't do

And that was what left us both a little lonely
