Marina and The Diamonds

â™; BUY THE STARS â™; | MARINA AND THE DIAMONDS

[Verse]

F G Dm C G Dm
You bought a star in the sky tonight
F G Dm C Dm G
Because your life is dark and it needs some light
F G Dm C G Dm
You named it after me, but Iâ€™m not yours to keep
F G Dm C G F
Because youâ€™ll never see, that the stars are free

[Pre-Chorus]

Am C G F
Oh we donâ€™t own our heavens now
Am C Em
We only own our hell
Am C G F
And if you donâ€™t know that by now
Am C Em
Then you donâ€™t know me that well

[Chorus]

C Dm Am F
All my life Iâ€™ve been so lonely
C Dm Am F
All in the name of being holy
C Dm Am F
Still, youâ€™d like to think you know me
G F Dm
You keep buying stars
Am G C Dm
And you could buy up all of the stars,
Am G C Dm
But it wouldnâ€™t change who you are
Am F C Dm
Youâ€™re still living life in the dark
G F Dm
Itâ€™s just who you are
G F Dm
Itâ€™s just who you are

[Verse]

F G Dm C G Am
You bought a star in the sky tonight
F G Dm
And in your man-made dark
C G Dm
The light inside you died

[Pre-Chorus]

Am C G F
Oh we donâ€™t own our heavens now
Am C Em
We only own our hell
Am C G F
And if you donâ€™t know that by now
Am C Em
Then you donâ€™t know me that well

[Chorus]

C Dm Am F
All my life Iâ€™ve been so lonely
C Dm Am F
All in the name of being holy
C Dm Am F
Still, youâ€™d like to think you know me
G F Dm
You keep buying stars
Am G C Dm
And you could buy up all of the stars,
Am G C Dm
But it wouldnâ€™t change who you are
Am F C Dm
Youâ€™re still living life in the dark
G F Dm
Itâ€™s just who you are
G F Dm
Itâ€™s just who you are

[Bridge]

Am E C E Am E C
You know only how to own me
Am E C E Am E C

C F Em Am
Youâ€™re buying stars to shut out the light
C F Em Am
We come alone and then we die
C F Em Am
And no matter how hard you try
C F Em C

Iâ€™ll always belong in the sky
