

**Fear And Loathing**  
**Marina and The Diamonds**

Capo 1

Intro: **D, A, E** x2

**D**                    **A**            **E**  
I ve lived a lot of different lives  
**D**                    **A**            **E**  
Been different people many times  
**D**                    **A**            **E**  
I live my life in bitterness  
**D**                    **A**            **E**  
And fill my heart with emptiness

**D**                    **A**                            **E**  
And now I see, I see it for the first time:  
**D**                    **A**                    **G**            **A**  
There is no crime in being kind  
**D**                    **A**                    **E**  
Not everyone is out to screw you over.  
**D**                    **A**                            **G**                            **A**  
Maybe, oh just maybe they just wanna get to know ya .

**E**  
Mmmmm, mmm

**D**                    **A**                    **E**  
Now the time is here,  
**D**                    **A**                            **G**                            **A**  
Baby you don t have to live your life in fear  
**D**                    **A**                    **E**                    **G**                    **A**  
And the sky is clear, is clear of fear

**D**                    **A**                    **E**  
Don t wanna live in fear and loathing  
**D**                    **A**                    **G**                    **A**  
I wanna feel like I am floating  
**D**                    **A**                    **E**  
Instead of constantly exploding  
**G**                    **A**  
In fear and loathing

**E**  
Mmmmm, mmm

**D**                    **A**                    **E**  
Got different people inside my head  
**D**                    **A**                    **G**                    **A**  
I wonder which one that they like best

**D** **A** **E**  
I m done with tryin to have it all

**D** **A** **G** **A**  
And endin up with not much at all.

**E**  
Mmmmm, mmm

**D** **A** **E**  
Now the time is here,

**D** **A** **G** **A**  
Baby you don t have to live your life in fear

**D** **A** **E** **G** **A**  
And the sky is clear, is clear of fear

**E**  
Of fear

**D** **A** **G** **A**  
Don t wanna live in fear and loathing

**D** **A** **G** **A**  
I wanna feel like I am floating

**D** **A** **G** **A**  
Instead of constantly exploding

**D** **A**  
In fear and loathing

**D** **A** **E**  
And when the time comes along and the lights run out

**E**  
Mmmmm, mmm

**D** **A**  
I know where I will belong

**E**  
When they blow me out.

**E**  
Mmmm, mmm
