

## Just Desserts

### Marina and The Diamonds

Hi you diamonds out there! :)

Oh my god, new Marina-song! I knew I had to find out the chords for it! And fortunately

they were quite easy, there are so many Marina-songs on which I am still working because

they re just so hard to figure out. But this is actually only two chords, the whole song

goes Cm and Gm. I tried other ones or variating stuff .. But to me nothing sounded as

right as these two.

You probably won t even need the lyrics with the chords, you just feel the chord changes

between Cm and Gm.

So if you play it differently, tell me. Contact me for corrections, requests or anything.

Please rate! :)

No capo.

Oh heartbreake's hard when you don't have a plastic heart
