

Just Desserts

Marina and The Diamonds

Hi you diamonds out there! :)

Oh my god, new Marina-song! I knew I had to find out the chords for it! And fortunately

they were quite easy, there are so many Marina-songs on which I am still working because

they re just so hard to figure out. But this is actually only two chords, the whole song

goes Cm and Gm. I tried other ones or variating stuff .. But to me nothing sounded as

right as these two.

You probably won t even need the lyrics with the chords, you just feel the chord changes

between Cm and Gm.

So if you play it differently, tell me. Contact me for corrections, requests or anything.

Please rate! :)

No capo.

Dm

Oh heartbreake's hard when you don't have a plastic heart

Dm

You sent me in through the cinnamon stars

Am

Cause you tasted so bitter but the bitter was sweet

Am

I'm a lovelorn princess and I'm yours to eat

Dm

I gave you too much,

Dm

Gave you too much to touch

Dm

Just the hardcore iron through the velvet glove

Am

You were a lullaby and you had me blind

Am

And now I laugh cause you're the one whose being left behind

Dm

I see you cry

Dm

Now that the shoe's on the other foot

Wakin' everybody in the neighborhood

Am

Tellin' everybody that I'm no good

Dm

Karma came around like I knew it would,

Dm

Like I knew it would

And it feels so good when the shoe is put

On the other foot

Yeah baby, I know that it hurts

When you're about to get your just desserts

I'm glad that you crashed and burned

You on repeat

Dm

Now that the shoe's on the other foot

You suddenly decided to knock on wood
