Marina and The Diamonds

Gorgeous song by Marina, but there were no decent chord progressions for it, so I thought I d give it a shot.
Standard Tuning ; No Capo

[Verse 1]

Am G Em D
You re never gonna love me, so what s the use?

Am G Em D
What s the point in playing a game you re gonna lose?

Am G Em D
What s the point in saying you love me like a friend?

Am G Em D
What s the point in saying it s never gonna end?

[Pre-Chorus]

You re too proud to say that you ve made a mistake
 You re a coward to the end
 I don t wanna admit that we re not gonna fit
 No, I m not the type that you like
 Why don t we just pretend?

[Chorus]

Am G Em D
Li--es, don t wanna know, don t wanna know oh
Am G Em D
I---- can t let you go, can t let you go oh
Am G Em
I just want it to be perfect
D Am
To believe it s all been worth the fight

Am G Em D
Li--es, don t wanna know, don t wanna know oh
Am G Em D

You only ever touch me in the dark

Am **G** **Em** **D**
Only if we re drinking can you see my spark
Am **G** **Em** **D**
