Miss Y - Marina and the Diamonds

Am **C**
I feel like a substitute stittin on the sideline,
Am **C**
Clicking every single finger waiting for the right time,
Am **C**
I feel like a substitute sitting pretty in my prime,
Am **C**
I m about to play the game cause I m running out of time

[CHORUS:]

Dm
Drop your knees to the floor,
G
Hands to the sky,
Am **E**
Give a round of applause for the great Miss Y,

Am **C**
I walked all night long in the dark just to be standing here,
Em **G**
Only to feel like nobody and Miss Y am I here?
Am **C**
I walked all night long in the dark just to be standing here,
Em **G**
Only to feel like nobody and Miss Y am I here?
Am **C** **Em** **G** **Am**
and the lights, they, get stronger the longer that you have to wait,
C **Em** **G**
for the honour, the honour, to be grey.

Am **C**
I feel like I m stuck inside a race, feel like I m catching up,
Em **G**
Oh, Marina what a shame you didn t make the upper cut!
Am **C**
Feel like I m stuck inside a race, feel like I m catching up,
Em **G**
Oh Marina, we re so sorry, but you didn t make the cut.
