

Plastic Rainbow
Marina and The Diamonds

A F
I have let you melt me down
Em
Into a plastic rainbow
A D F
And I have left myself to hang
Em D
In a halloween sky

A F
I let you tattoo a frown
Em D
Onto a face of white snow
A F
Now I see footprints of a man
Em D
Running through my eyes

Em D Bm
Do I despise these perfect lies
Bm/D Em
I tell myself each night and day
D Bm
Go kiss by blackened heart goodbye
Bb
I m running out of things to play

Hey, see I need to forget
Am F Em
That I ve become a plastic rainbow
D Am
And I m melting in the sun
F Em
And I have fallen from the sky
D Bb
In a million multi-coloured lies
Dm F Dm F A
I ve had enough of your ideals, ideals yeah

F
I m gonna break her like a Barbie Doll
Em D A

Push her face down in the dirt

D

Blue Maybelline mascara

F A

Is running down my favourite shirt

D G F

And whoever thought that messing with me

A

Was ever gonna hurt?

D G

Your plastic swords, too many times

F Em

In black suspenders and her mini-skirts

Em D Em

Do I despise these perfect lies

Em/D Em

I tell myself each night and day

D Em

Go kiss by blackened heart goodbye

Bb

I m running out of things to play

Hey, see I need to forget

Am F Em

That I ve become a plastic rainbow

D Am

And I m melting in the sun

F Em

And I am falling from the sky

D Bb

In a million multi-coloured lies

Dm F Dm F A

I ve had enough of your ideals, ideals yeah

A F Em

Yeah, I became a plastic rainbow

A F

Yeah, I fell from the sky

Em

In a million multi-coloured lies

Am F Em

Your commerce helped for a while

A F Em

But now all I seem to do is...

A D F A D F A D A D A D F D

Smile, Smile, Smile

F A

Do I, Do I smile.
