

Shampain

Marina and The Diamonds

I figured this out on the piano first.

This is easiest to play on the guitar with a capo on the first fret and using the alternate chords of E, Esus4, F#m7, E/G# and B7.

[Verse]

F **Fsus4**
Lay dagger dead inside a lonely bed
F **Fsus4**
Trying to hide the hole inside my head
F **Fsus4**
Watching the stars slide down to reach the end
F **Fsus4**
The sleep is not my friend

[Bridge]

F **Gm7**
Drinking champagne to forget yesterday
F/A **Bb6/9**
Cause I remember the way, the way, the way
F **Gm7**
It ended the day, the day, the day, the day
F/A **Bb6/9**
That I walked away, away, away, away

[Chorus]

C7 **C7sus4**
Drinking champagne made by the angel
C7 **C7sus4**
Who goes by the name of Glittering Gabriel
C7 **C7sus4** **C7**
Drinking champagne made of an angel s tears and pain
C7sus4
But I feel celestial

[Verse]

F **Fsus4**
Elderly stars slide down the morning sky
F **Fsus4**
Slipping away to find a place to die
F **Fsus4**
I wonder when the night will reach its end
F **Fsus4**
The sleep is not my friend
