

## Starring Role

### Marina and The Diamonds

[Verse 1]

**C# A F#m A G#**

You re hard to hug  
Tough to talk to  
And I never fall asleep  
When you re in my bed  
All you give me is a heartbeat

I ve turned into a statue  
And it makes me feel depressed  
Cause the only time you open up  
Is when we get undressed

[Pre-Chorus]

**C# A F#m A G#**

You don t love me  
Big fucking deal  
I ll never tell you how I feel  
You don t love me  
Not a big deal  
I ll never tell you how I feel

[Chorus]

**C#m E**  
It almost feels like a joke  
**F#m A**  
To play out the part  
**C#m E**  
When you are not the starring role  
**F#m A**  
In someone else s heart  
**F#m E**  
You know I d rather walk alone  
**G# A**  
Than play a supporting role  
**A G# C#m**  
If I can t get the starring role

Fill: **C# A F#m A G#**

[Verse 2]

**C# A F#m A G#**

Sometimes I ignore you  
So I feel in control

Cause really, I adore you  
And iI can t leave you alone

Fed up with the fantasies  
They cover what is wrong  
Come on, baby  
Let s just get drunk  
Forget we don t get on

[Pre-Chorus]

**C# A F#m A G#**

You like my dad  
You get on well  
I send my best regards from hell

[Chorus]

**C#m E**  
It almost feels like a joke  
**F#m A**  
To play out the part  
**C#m E**  
When you are not the starring role  
**F#m A**  
In someone else s heart  
**F#m E**  
You know I d rather walk alone  
**G# A**  
Than play a supporting role  
**A G# C#m**  
If I can t get the starring role

[Bridge]

**F# G# A B C# D# E**

I never sent for love  
I never had a heart to mend  
Because before the start began  
I always saw the end

Yeah, i wait for you to open up  
To give yourself to me  
But nothing s ever gonna give  
I ll never set you free  
Yeah i ll never set you free

[Chorus]

**C#m E**  
It almost feels like a joke  
**F#m A**  
To play out the part  
**C#m E**

When you are not the starring role

**F#m** **A**

In someone else s heart

**F#m** **E**

You know I d rather walk alone

**G#** **A**

Than play a supporting role

**A** **G#** **C#m**

If I can t get the starring role

Fill: **C# A F#m A G#** (2x)
