Verso:

                  Em  
You re just another in a long line of men she screwed  
                  G  
Just another in a long line of men she knew  
                  D  
And yeah she did, yeah she did what she wanted to do  
                  Am  
Like all the boys before  
  
Another dream come true

                  Em                  Em                  Em                  Em  
It s a power, it s a power, it s a power move  
                  G                  G                  G                  G  
And while I m not quite sure what she s trying to prove  
                  D                  D                  D                  D  
They all say she s got low self-esteem  
                  Am                  Am                  Am                  Am  
So, why is she looking like a cat who got the cream?

Verso:

Em  
She s the apple of everybody s eye  
G  
With an angel voice  
Devil in disguise

D

Got a sour face like a poisoned fruit

Am

That the boys can taste til they re out of use

Em

And she ll network til her dreams come true

G

Even if it means getting into bed with you

D

Everybody s friend, does it ring a bell?

Am

I know a little too much but I ll never tell

Ponte:

Em  
Well, I guess it s just what humans do  
G  
Hook up with other people until it all falls through  
D  
And when it s over they go out and try and heal their pain  
Am  
Hook up with another lover, do it all again  
Em  
I m not passing judgment on her sexual life  
G  
I m passing judgement on the way she always stuck her knife  
D  
In my back ever since we were starting out  
Am  
Suspicious from the start, I always had my doubts about you
