I was dreaming something dark, hiding body parts  
**Bb A Gm**  
A broken dog, a broken leg, I left it cold, I left it dead  
**Bb A Gm**  
Oh I m a guilty one and I know what I have done  
**Bb A Gm**  
Yeah, I m a troubled one and I won t be forgiven

**Eb F Gm Bb**  
Guilty on the run and I know what I have done  
**Eb F Gm Bb**  
Guilty on the run and I m never forgiven

**Eb F**  
I was just a kid that you could not forgive  
**Gm Bb**  
Because it s harder  
**Eb F**  
I was just a kid and all I really wanted  
**Gm Bb**  
Was my father

**Bb A Gm**  
Killed a dog so smart and rare, touched his techni-coloured hair  
**Bb A Gm**  
I left it bruised and black and lame, I left it running full of shame  
**Bb A Gm**  
Oh I m a guilty one and I know what I have done  
**Bb A Gm**  
Yeah, I m a troubled one and I won t be forgiven
