

Homewrecker
Marina

Dm **F** **G** **Am**
Every boyfriend is the one until otherwise proven
Dm **F**
The good are never easy, the easy never good
G **Am**
And love it never happens like you think it really should
Dm **F**
Deception and perfection are wonderful traits
G **Am**
One will breed love, the other hate
Dm **F**
You ll find me in the lonely hearts
G **Am**
Under I m after a brand new start
Dm **F** **G**
And I don t belong to anyone

Dm **F** **G** **Am**
They call me homewrecker, homewrecker
Dm **F** **G** **Am**
They call me homewrecker, homewrecker

Dm **F**
Girls and their curls and their gourmet vomit
G **Am**
Boys and their toys and their 6 inch rockets
Dm **F**
We re all very lovely till we get to know each other
G **Am**
As we stop becoming friends and we start becoming lovers
Dm **F** **G**
And I don t belong to anyone

Dm **F** **G** **Am**
They call me homewrecker, homewrecker
Dm **F** **G** **Am**
They call me homewrecker, homewrecker
Dm **F** **G** **Am**
They call me homewrecker, homewrecker
Dm **F** **G** **Am**
They call me homewrecker, homewrecker

Am **G** **F**
I m only happy when I m on the run
F **Em** **Dm**
I break a million hearts just for fun
F **G**

I don't belong to anyone

Am **G** **F**
I guess you could say that my life's a mess
F **Em** **Dm**
But I'm still looking pretty in this dress
F **G**
I'm the image of deception

Dm **F**
When everything is life and death
G **Am**
You may feel like there's nothing left
Dm **F**
Instead of love and trust and laughter
G **Am**
What you get is happy never after
Dm **F**
But deep down all you want is love
G **Am**
The pure kind we all dream of
Dm **F**
But we cannot escape the past
G **Am**
So you and I will never last

Dm **F** **G** **Am**
Cause I'm a homewrecker, homewrecker
Dm **F** **G** **Am**
Cause I'm a homewrecker, homewrecker
Dm **F** **G** **Am**
Cause I'm a homewrecker, homewrecker
Dm **F** **G** **Am**
Cause I'm a homewrecker, homewrecker
Dm **F** **G** **Am**
Homewrecker, homewrecker
