

I don't belong to anyone

Am **G** **F**
I guess you could say that my life's a mess
F **Em** **Dm**
But I'm still looking pretty in this dress
F **G**
I'm the image of deception

Dm **F**
When everything is life and death
G **Am**
You may feel like there's nothing left
Dm **F**
Instead of love and trust and laughter
G **Am**
What you get is happy never after
Dm **F**
But deep down all you want is love
G **Am**
The pure kind we all dream of
Dm **F**
But we cannot escape the past
G **Am**
So you and I will never last

Dm **F** **G** **Am**
Cause I'm a homewrecker, homewrecker
Dm **F** **G** **Am**
Cause I'm a homewrecker, homewrecker
Dm **F** **G** **Am**
Cause I'm a homewrecker, homewrecker
Dm **F** **G** **Am**
Cause I'm a homewrecker, homewrecker
Dm **F** **G** **Am**
Homewrecker, homewrecker
