

How Do I Breathe
Mario

Bb

Feels so different being here

F

I m so used to being next to you

Bb

Life for me is not the same

C

Theres no-one to turn to

Bb

Don t know why I let it go too far

F

Starting over it s so hard

Bb

Seems like everywhere I try to go

C

I keep thinking of you

Bridge:

Bb

I just had a wakeup call

F

Wishin that I never let you fall

Bb

Baby your not to blame at all

C

When I m the one that pushed you away

Bb

Baby if you knew I care

F

You never would have went nowhere

Bb

Girl I should have been right there

Chourse:

Bb

How do I breathe

F

Without you here by my side

Bb

How will I see

C

Your love brought me to the light

Bb

Where do I go

F

When your hearts where I lay my head

Bb

When your not with me

C

How do I breathe

Bb

How do I breathe

and thats the whole song:)
