I Choose You
Mario

A few things to remeber:
when **C#** is played twice in a row, the second time is an octave lower and the first
time is the **C#** above the first **G#**

Not too sure about the CHORUS or the BRIDGE, but they sound OK when played like that

ENJOY!!!!!! :)

INTRO:
[**G#**],[**Eb**],[**C#**],[**C#**](octave lower)[**Eb**]
x2

VERSE 1:
             [**G#**]
For whatever might have been
               [**Eb**]
And all that it never was
       [**C#**]
Whatever I couldn t see
         [**C#**]   [**Eb**]
And all that I didn t want

          [**G#**]
There was a method to my madness girl
     [**Eb**]
That wasn t clear to me
 [**C#**]
Until the day I saw your face
   [**C#**]   [**Eb**]
When I saw everything
    [**G#**]   [**Eb**]
For I saw us dancing through sunshine and rain
    [**C#**]   [**C#**]   [**Eb**]
And I saw us laughing through joy and through pain
    [**G#**]   [**Eb**]
And I saw time passing but we did not change
    [**C#**]   [**C#**]   [**Eb**]
And I still saw us together at the end of every day

CHORUS:
          [**G#**]
Whenever you want it
             [**Eb**]

Whenever you need it
               [**Fm**]
Whatever you feel like, it s gon be like
               [**C#**]   [**Eb**]
You better believe it
               [**G#**]
Whenever you feel like dancing
          [**Eb**]
You don t have to dance alone, no
[**Fm**]
You know, you know, you know
            [**C#**]   [**Eb**]
You should already know
[**G#**]
I choose you
[**Fm**]
I choose you
[**C#**]
I choose you
[**Eb**]
I choose you
[**G#**]
I choose you
[**Fm**]
I choose you
[**C#**]
I choose you
[**Eb**]
I choose you

VERSE 2:
            [**G#**]
I felt you inside myself
                [**Eb**]
Before I could even feel
                 [**C#**]
I knew you like no one else
            [**C#**]   [**Eb**]
But still I couldn t tell, Oh
      [**G#**]
Girl, none of it made sense to me
                       [**Eb**]
Girl, none of it was real
   [**C#**]
Until the day I saw your face
    [**C#**]   [**Eb**]
And it was clear to see

CHORUS: (Same as first chorus)
Whenever you want it (Whenever you want it)
Whenever you need it (Whenever you need it, baby)
Whatever you feel like, it s gon be like
You better believe it (You better believe it)

Whenever you feel like dancing
You don t have to dance alone, no (Oh, no)
You know, you know, you know
You should already know
I choose you (I choose you, baby)
I choose you (I choose you, girl)
I choose you
I choose you (You know that I choose you)
I choose you
I choose you
I choose you
I choose you

           [**Bb**]   [**Fm**]
Throughout our times, people have searched their lives
            [**C#**]   [**Eb**]
Hoping that they might find the chance where they can make things right
            [**Fm**]   [**Eb**]
Through my desire, thank God I found the fire
        [**C#**]   [**Eb**]
Oh, for everything has led me straight to you (Youuuu....)

CHORUS: (Same as first chorus)
Whenever you want it
Whenever you need it (Baby)
Whatever you feel like, it s gon be like
You better believe it (Oh, you better believe it)
Whenever you feel like dancing
You don t have to dance alone, no
You know, you know, you know
You should already know
I choose you
I choose you
I choose you
I choose you
I choose you
I choose you
I choose you (Yeah, oh baby darling)
I choose you (Said I m choosing you)

I choose you (Oh baby baby)
I choose you (Girl I made up my mind)
I choose you (And I choose you)
I choose you
I choose you
I choose you
I choose you
I choose you
