

I Choose You
Mario

A few things to remeber:

when **E** is played twice in a row, the second time is an octave lower and the first time is the **E** above the first **B**

Not too sure about the CHORUS or the BRIDGE, but they sound OK when played like that

ENJOY!!!!!! :)

INTRO:

[**B**],[**F#**],[**E**],[**E**](octave lower)[**F#**]
x2

VERSE 1:

 [**B**]
For whatever might have been
 [**F#**]
And all that it never was
 [**E**]
Whatever I couldn t see
 [**E** [**F#**]
And all that I didn t want

 [**B**]
There was a method to my madness girl
 [**F#**]
That wasn t clear to me
 [**E**]
Until the day I saw your face
 [**E** [**F#**]
When I saw everything
 [**B** [**F#**]
For I saw us dancing through sunshine and rain
 [**E** [**E** [**F#**]
And I saw us laughing through joy and through pain
 [**B** [**F#**]
And I saw time passing but we did not change
 [**E** [**E** [**F#**]
And I still saw us together at the end of every day

CHORUS:

 [**B**]
Whenever you want it
 [**F#**]

Whenever you need it
[G#m]
Whatever you feel like, it s gon be like
[E] [F#]
You better believe it
[B]
Whenever you feel like dancing
[F#]
You don t have to dance alone, no
[G#m]
You know, you know, you know
[E] [F#]
You should already know
[B]
I choose you
[G#m]
I choose you
[E]
I choose you
[F#]
I choose you
[B]
I choose you
[G#m]
I choose you
[E]
I choose you
[F#]
I choose you

VERSE 2:

[B]
I felt you inside myself
[F#]
Before I could even feel
[E]
I knew you like no one else
[E] [F#]
But still I couldn t tell, Oh
[B]
Girl, none of it made sense to me
[F#]
Girl, none of it was real
[E]
Until the day I saw your face
[E] [F#]
And it was clear to see

CHORUS: (Same as first chorus)

Whenever you want it (Whenever you want it)
Whenever you need it (Whenever you need it, baby)
Whatever you feel like, it s gon be like
You better believe it (You better believe it)

Whenever you feel like dancing
You don't have to dance alone, no (Oh, no)
You know, you know, you know
You should already know
I choose you (I choose you, baby)
I choose you (I choose you, girl)
I choose you
I choose you (You know that I choose you)
I choose you
I choose you
I choose you
I choose you

[C#] [G#m]
Throughout our times, people have searched their lives
[E] [F#]
Hoping that they might find the chance where they can make things right
[G#m] [F#]
Through my desire, thank God I found the fire
[E] [F#]
Oh, for everything has led me straight to you (Youuuu....)

CHORUS: (Same as first chorus)

Whenever you want it
Whenever you need it (Baby)
Whatever you feel like, it's gon be like
You better believe it (Oh, you better believe it)
Whenever you feel like dancing
You don't have to dance alone, no
You know, you know, you know
You should already know
I choose you
I choose you
I choose you
I choose you
I choose you
I choose you
I choose you (Yeah, oh baby darling)
I choose you (Said I'm choosing you)

I choose you (Oh baby baby)
I choose you (Girl I made up my mind)
I choose you (And I choose you)
I choose you
I choose you
I choose you
I choose you
I choose you
