God, it was late, I was drunk
G#
You saw me
C#
The one by my side wasn't you
G#
I'm sorry
Bbm G# C#
And I knew right then
Ebm Bbm F#
That I lost you there
C#
You took me in

G# G# G# C#
In spite of me
C# G# Bbm
You made me feel invited
G# G# G# C#
Nobody else
C# G# Bbm
That is what I decided

G# G# G#

C#
Selfish and dumb, stupid and young
G#
Yeah, that's me
C#
But from all of the wrongs, you make it right
G#
And forgive me

Bbm G# C#
It's been said before
Ebm Bbm F#
But I'll try once more

You are the one
