

## Dying Breed

Marissa Nadler

Tuning is standard, with capo on the 6th fret.

**G**            **G/F#**    **Em**  
Red is the color of memory  
**G**            **G/F#**    **Em**  
Blue is the way to green  
      **G**        **G/F#**    **Em**  
And darling you did gamble  
          **C**            **D**        **Em**  
â€™cause you were a dying breed  
      **C**            **D**        **Em**  
Yes you were a dying breed

**G**            **G/F#**    **Em**  
Yellow the color of your skin  
**G**            **G/F#**            **Em**  
Black was the color of your hair  
      **G**        **G/F#**        **Em**  
Your earthly days have passed you by  
**C**        **D**        **Em**        **C**  
Where oh where oh where did you go  
                          **Em**  
When they took your bones  
      **C**                    **D**                    **Em**  
Did you go when they took your bones and ran

**G**            **G/F#**    **Em**  
Red is the color of memory  
**G**            **G/F#**    **Em**  
Blue is the way to green  
      **G**        **G/F#**    **Em**  
And darling you did gamble  
          **C**            **D**        **Em**  
â€™cause you were a dying breed  
      **C**            **D**        **Em**  
Yes you were a dying breed

Hope this tab is accurate enough, and enjoy this beautiful song as much as I do!
