Steal My heart  
Marit Larsen

**G F Em D**

**G F Em D**

**G**

**F**

If you want to steal my heart

**Em**

Steal it like you mean it

**G**

**F**

And if you want to take a part

**Em**

**D**

Then give me something to believe in

**D**

**C**

**G**

Cause the road, it ain't getting longer,

**A**

**C**

**A**

**D**

And my heart, it ain't getting younger

**D**

**C**

For all the love that we made

**G**

**C**

Is a razor blade and

**D**

**G**

I don't want to hurt any longer

Steal my heart

Let me hear it in your voice

Let there be no question

Leave me with no other choice

Then open up to let the light in

The road, it ain't getting longer

And my heart, it ain't getting younger

For all the love that we made

Is a razor blade and I don't want to hurt any longer

Steal my heart

**C**

**D**

I'm crazy about you

**C**

**Cadd9**

So lonely without you

**F**

**Em**

**A**

And I love you I love you I love you

**C**

**D**

Away with the trouble

**C**

**Cadd9**

And just make it simple

**D**                    **D D D D D D**

I'll be anything that you want

**G**

**Fm**

So if you want to break my heart

**Em**

Break it like you mean it

**G**

**F**

And if you want a way to part

**Cadd9**

Then turn away so I can see it

\*Same chords as above\*

The road, it ain't getting longer

And my heart, it ain't getting stronger

The road, it ain't getting longer

And my heart, it ain't getting younger

For all the love that we made

Is a razor blade and I don't want to hurt any longer

Steal my heart

End on G

I hope this is good!

Love,
