

## Under The Surface

Marit Larsen

D F#m  
It s such a funny sensation to be  
F Am G  
so happy that you wanna die  
D F#m  
Promises always were crazy to me  
F Am G  
But never was I so surprised  
D F#m  
Minutes are longer when we are apart  
F Am G  
Your presence s more than I can handle  
D F#m F  
It s come to the point where I wonder if I could ever be luckier  
Am G C C/B  
When suddenly I m back at the core  
Am F  
Thinking of her who had you before  
C  
Were you as good  
C/B  
As good as we are  
F  
Do you remember?  
C C/B  
Did you love her the way you love me?  
Am F  
Is there a chance that there might be  
C C/B F  
traces of her that you carry under the surface?  
D F#m  
Lend me your ears, I would like to confess  
F Am G  
I m doubting that you could be real  
D F#m  
By your side wearing a beautiful dress  
F Am G  
I celebrate how good it feels  
D F#m  
Say that you love me, say that it s true  
F Am G  
I know that I want to believe you  
D F#m  
But somehow silence speaks louder than words  
F Am G

I m worried she s still on your mind

**C**  
Mmm I know that I m selfish  
**C/B**  
I know that it s bad  
**Am** **F**  
I know, but it s driving me mad  
**G**  
It s driving me mad
